***Please be sure to specify if you are ordering from the Gluten Free Menu.
Please also be sure to let us know of any celiac allergy.***

When placing your order, please specify whether you wish to pick up the platters 'hot' or desire to heat them yourself at home. Items noted with an *asterisk are best heated onsite for top quality. Many items can be modified to accommodate dietary preferences and allergies, so please just ask!

For most events, we utilize disposable platters. We are also happy to use platters that you provide for us ahead of time. We can deliver anywhere in Albuquerque for an additional \$60, or \$75 for delivery and basic set-up. We will include disposable cutlery, napkins & plates upon request for an additional \$3 per person.
